

LETTER OF APPRECIATION

From my honor I would like to note the significant contribution of Nikolay Rusnachenko into the community and business culture of Dubai and the UAE. I am very grateful for the report **How artificial intelligence helps track a company's reputation** in the second Conference of AI and Marketing Trends and Opportunities which was held in Dubai International Financial Center 17 august 2022. I would like to note the high professional skills and excellent presentation.

Wish you all the best,
